## Tuition Sheet:
## *2026-2027 School Year*

Hearthstone offers enrollment on a *pay-what-you-can* basis and will accept a student regardless of the family's ability to pay. We have waived the financial aid application for all families and instead operate on an honor system where families pledge to pay as much tuition as their household income and family circumstances allow.

Please review the tuition ranges and supply fees below and carefully consider what your family can afford to pay for your child's education. We trust that families will truly "pay what you can," increasing or decreasing the monthly payments if circumstances change (e.g. gaining or losing a job).
